AUDIT POLICY: (Please Read)

Students may audit courses under the guidelines noted below. The student will receive no academic credit for the courses nor will a grade be reflected in their cumulative grade point average.

- A student may audit a course subject to the approval of their advisor or department chairperson and the consent of the instructor.

- A student is subject to conditions established by the department and/or instructor for the audited course.

- A student registering for credit has course enrollment preference over an auditing student. Therefore, a student must register for audit only during the drop/add period by submitting forms provided by the Registrar’s Office. A student’s status as an auditor in a course cannot be changed.

- A student may register for one audit course per semester. Exception may be granted by petition to the appropriate dean.

- A student receives no credit for an audited course. The student’s academic record will reflect the course enrollment with the notation AU.

- A student will be charged the same tuition and fees for an audited course as for a course taken for credit.

I have read the above policy guidelines and understand them.
