UNDERGRADUATE REPEAT COURSE POLICY AT BSU
(Effective Fall 2012)

Credit cannot be awarded more than once for the same course, whether earned through BSU or in transfer. Credit also may not be awarded more than once for courses which are seen as equivalents to each other, in content or in outcomes. Example: Credit may not be awarded for more than one first year seminar ( _ _ _ _199) or more than one second year seminar ( _ _ _ _298 or _ _ _ _299) regardless of topic. All exceptions (ex. Internships) are marked in the catalog course description as “repeatable for credit.”

An undergraduate student may choose to repeat the course through BSU. The repeated grade will replace the prior grade in the student’s GPA regardless of which grade is higher. Although both courses and grades will appear on the student’s transcript, credit for the course will be awarded only once as outlined above. (Only courses taken through Bridgewater State University and repeated through Bridgewater State University will be eligible for use under this policy.)

This policy does not apply to courses taken after a student has been awarded a bachelor’s degree from Bridgewater State University. If a student repeats a course after having graduated, that course and grade will appear on the BSU transcript, but the student will receive no credit and only the prior grade will be included in the calculation of the student’s GPA.

Note(s) Repeating courses taken in a previous semester may affect certain federal and state benefits, various financial aid programs, loans, scholarships and social security benefits, in addition to athletic eligibility and veteran’s benefits. The Veterans Administration will not pay for a repeated course in which a passing grade has been previously earned. Satisfactory Academic Progress requirements must be met for continued financial aid eligibility. For information see “Repeat Coursework” in the Financial Aid section of the latest BSU Catalog http://catalog.bridgew.edu.
