

# Banner Governance

The following cross-divisional groups help inform decision making and set priorities in regards to Banner and related technology at the university.

## Advisory Committees

---

### **Banner Executive Steering Committee**

This committee sets the institutional direction for Banner. The Executive Steering Committee prioritizes and aligns Banner with the institutional strategic plan, maximizes BSU's investment in Banner and allocates institutional resources needed to enhance the Banner platform.

#### **Members:**

Raymond Lefebvre, Chief Information Officer, Vice President of IT

Doug Shropshire, Vice President of Finance

Peggy Jablonski, Vice President of Student Affairs

Keri Powers, Vice President of Human Resources & Talent Management

Karim Ismaili, Vice President of Academic Affairs

### **Banner Technical Committee Technology Committee (BTC)**

This committee will provide guidance to Information Technology in support of all business technology issues and make appropriate policy and technology recommendations to the CIO. The committee will consist of appointed faculty, staff and students.
